Dear Mr. Ballard,

We have reviewed the Tahoe Metropolitan Planning Organization's (TMPO) Administrative Amendment No. 7, which makes technical adjustment to their 2002/03-2004/05 Federal Transportation Improvement Program (FTIP).

The amendment includes projects from the TMPO's region, which is outside the State of California. Projects from this amendment for the Nevada Department of Transportation are included in the California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP) for information only. Also the California Department of Transportation does not have any pending concerns with these projects. This FTIP amendment has been amended into FSTIP for information only.

Please address any questions to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "R Falsetti".

Office of Federal Transportation Management Program
